

Are you looking for a way to get involved? Whether you are looking for yourself, as a family, or as part of a group, volunteers are invaluable to Christ Cares for Princeton. Without your volunteer help, we can't provide the much needed food to hundreds of Princeton residents that we currently serve.

- You can help receive donations, sort, and shelve food items
- You can distribute produce and bakery items on the days of distribution (training required)
- You can organize food drives in your neighborhood, business, or place of worship
- You can distribute pantry staples on distribution nights (training required)

Give us a call for the next opportunity. (469) 278-HOPE
